My dear Dr. Watson,

Your kind note with
the enclosed check was
duly received. Thank
you very much for both.

Yes, I am fairly settled
now, tho' it has taken
me until the 1st of this
month to become so.

Coming directly to friends
I was not in a hurry to
fix upon a boarding place,
I.A. Clark.

and have, therefore, located
quite happily in all respects.
I have also gotten into "the
swing" of my work so that
it goes easily and pleas-
antly. Dr. Vasey, his daugh-
ter, and the assistants
have been very cordial,
so that the strangeness of
the place, and differ-
ences of things generally
have had little effect.
Last week I had the
pleasure of dining with

Mr. Rice and his family. The "Rehoboth"
are so summing up overall as to be almost
de. Mrs. Rice is a charming little Mother in
the new form, and I quite antipate
further acquaintance with her.

Please give my regards to Dr. Robinson,
Mr. Stensell, and F. Kiley.

With very many kind Remembrances,

Yours very truly
Dr. William F. Clark.
